Acknowledgement

Your heartfelt guidance and sincere expressions of sympathy to each of us is genuinely appreciated. The extra measures of assistance you and your support provided for us all is prized and will not be soon forgotten. I am amazed at your patience with us as we stumbled along, seemingly in a fog, at times. You valued our grief and, without judgement, allowed us to express it in our own ways and on our own schedule. Yes, Maich would have enjoyed meeting you...and she would have liked you, too.

Remember me when I am
goneaway, Gone far away
into the silent land; When
you can go no more hold
me by the hand,

Nor I half turn to go yet
turning stay. Remember
me when no more day by
day You tell me of our
future that you planned:

Only remember me; you
understand It will be late
to counsel then or pray.
Yet if you should forget me

MOM

Twenty-eight years ago, you were placed in my arms –my son truly, the most wonderful gift I have ever received. A beautiful child whose smile melted my heart and whose eyes will forever remain etched in my memory. Sadly, you're no more.
Yet, a smile slowly spreads across my face as I remember your engaging sense of humor and how you loved to make me laugh. Never did I imagine that your life would be so quickly taken from you. There are moments when I am still not able to grasp it. The pain that I felt on that day, continues to tear at the depths of my soul, and although time does have a way of healing, it can also leave one with a longing. I will carry you with me, deep in my heart, until the time comes for you to fill my waiting arms once more

DAD.

My family wishes to express our heartfelt thanks to all those who have given their support, compassion, and love during this difficult time.
Though you may no longer be with us in body, your spirit will forever echo in our hearts. As we bid farewell, let us carry forward the love and laughter you brought into our lives. I was fearful of losing you, but I pushed those feelings deep down and found delight in carrying you… I'm grateful for all my memories and every moment we shared. You confided your hope and dreams in me and I encouraged you along the way.

SIBLINGS

Our hearts are been broken open into a million little pieces. We miss you so much already, Maina. The pain is indescribable and unbearable. you had the heart of a lion. You never quit. You never gave up. And life was hard on you, but you were hard right back.
Given what you lived through, this is saying something.
You were an OG, a good soul, and wise in the ways of life and the streets.
The role you played in my life is as big as it gets.
